Extract from file No.1723, re: Allocation of work among the Director and Addl. Directors of Food Supplies.

Para:

10) ~~21)~~ I have already noted in some other file about the unnecessarily large number of officers in this Department.

~~22)~~ There are now three additional Directors. Two of them are getting an allowance of Rs.150/- each, while officers of equal status, like the Superintendent, Revenue Survey, Auditor, Elec. Dept., and even the Deputy Commissioner, Bangalore get no allowance. It is necessary to revise the rate of the allowance, if not abolish it altogether and also necessary to reduce the number of the Additional Directors.

~~23)~~ The third Addl. Director is in receipt of Rs.1500/- all told. This work of transport could be attended to by a Traffic Inspector and at the most by one of the A.T.S's or D.T.S's.

~~24)~~ Our bill on account of salaries and establishment is mounting up and it is necessary to cut down unwanted staff. Since the Food Department has had time to organise itself, as much staff as before may not be now necessary.

Letter no C1-17.2-47/8 dt 15.11.47 (received on 17.XI.47) from the Director of Food Supplies submitting certain proposals regarding retrenchment in his office.

With a view to economising expenditure in the Food Dept. the Director of Food Supplies has suggested the following re: the Continuance or otherwise of three Additional Directors and gazetted Assistants now working in his office:—

a) Re: 1. Addl Director
- Mr. Syed Abdul Khader

The D.F.S. is of the opinion that in the altered conditions at present (when many of the miscellaneous Cadres have either gone or are going) there is not sufficient work to justify the retention of an Additional Director. He states that this matter was brought to the notice

Re-employment in the Food Dept

Serial No.

of the Minister in charge and the Bureau more than once. He adds that as things stand it is quite superfluous to have an Additional Director and that it is a matter for the Government to decide whether the post should be continued or not.

As regards the duty allowance of Rs. 150/p.m. drawn by the officer, the Director states that it is not fair to deprive him of the allowance if the appointment is to continue.

(6) Re: 11 Additional Director — Mr. Syed Abdul Rahman

This officer was posted to the Food Dept recently (2 in September 1944) and the D.P.I. states that the posting was done on "Government own initiative" and not "at his request". The Director further states that he is at a loss to find work for this officer who is "undoubtedly a supernumerary" in the Food

NOTE—Contn. Sheet.

Serial No.

Department and that his services could be more advantageously utilised elsewhere. He adds that if this officer is transferred to some other department the work distribution proposed in his case (vide his letter no C1-1702/47-8 dt 10/11/47 — Dy no 2915) would be unnecessary.

(C) Re: Additional Director (Transport) — Mr. R.N. Mirza

The Continuance of this officer beyond 30.6.1948 has been sanctioned in G.O. no Ft. 1635-36/1-90-46-6 dt 21.8.1947 p. The D.I.S states that the work of Mr. Mirza is that of a liaison officer with other Railways in India and not merely the arrangement of internal transport. This work cannot be handled by any amount of correspondence or by an officer of the status of a traffic Inspector or even a District Traffic Superintendent as suggested at para 10 above. The Food Department, he states, cannot afford to lose the services of this officer at this juncture or any financial considerations. The Director adds that he would himself propose

Retrenchment in the Food Dept

Serial No.

the termination of the services of Mr. Mirza when the Dept could safely do so.

(d) Re: gazetted Assistants to D.I.S

One of the 5 gazetted Assistants in his office, at present (including one who is a District Superintendent of police) the D.I.S states that he can spare two officers - Viz; one gazetted Assistant and the D.S.P. for whom there is little work in the Food Dept. He suggests that out of the three remaining officers the permanent gazetted Assistant may be designated Deputy Director under whom the subordinate police staff of the Dept may work.

17) The points for orders arising from the Director's proposals are:-

(1) abolition of two posts of Addl Directors now held by Messrs. Syed Abdul

NOTE—Contn. Sheet.

Khaadar and hyst to the Chairman which would render his previous proposal re: more assistants unnecessary.

(2) Permission to Continue Mr R.N. Mirza as Additional Director (Transport) for the present and until the termination of his services is proposed by the D.F.

(3) Transfer or reversion of two gazetted Assistants (including one District Superintendent of Police)

(4) Designating the senior gazetted Assistant under the D.F. as Deputy Director.

18) The D.F. has not discussed the question of retrenchment of establishment attached to the above offices. He has not also furnished the note re. the necessity for the continuance or otherwise of the existing food establishments in the first during the remaining part of the Current year nor the list of staff called for in this office letter dt 2.9.44 and reminder dt 4.11.44. Flag M & L) The check survey and final levy have to be completed. Such proposals have to be dealt with further in the Retrenchment Report Para "-13"

We may remind him about this later, if after orders are passed on the present proposals

19) The letter of the Director of Food Supplies is for kind perusal. It has been received as a reply to the minute — para 10, supra — of the minute of the Financial Secy in the linked file. (Paras 21 to 24 in that file) The financial secretary has been pressing repeatedly that expenditure on these temporary departments should be cut down. With that end in view the ~~view~~ in para 1 supra was called for. Although the present report of the DFS is not a comprehensive reply to the point raised in para 1 supra it still is an important report being the first step in the retrenchment of the establishment of the Director's office.

20) This report ~~which~~ is so lucid and self-explanatory that to comment upon it would be superfluous. Only the point for orders, will be stated. They are

@. The DFS is of the opinion that it is desirable to retain the services of Mr R.N. Mirza, as Addl Director (Transport). The reasons for so doing have been stated by him. In G.O dated 21st Aug 47 (Flag F) Govt

NOTE—Contn. Sheet.

Serial No.

have already sanctioned the continuation of his services till the end of June 48. It may not therefore be necessary to modify this order.

(2) The Director of Food Supplies has quite frankly stated that there is practically no work for the Second Additional Director and also for the Additional Director of Food Supplies. Experience has shown him that the work of the office could be managed by him alone quite well and that it is quite superfluous to have an Additional Director. His statement that "apart from the possibility of actual assistance there was a risk of division of responsibility and hampering of work" is entitled to very careful consideration. Thus it is clear that not only is there not enough work for two senior officers of the rank of Deputy Commissioner, but there is the distinct possibility of even hampering of smooth work, although such a contingency might not have arisen till now. So there appears to be absolutely no need for the retention of either the first or the Second Additional DFS.

Serial No.

There has been repeated public criticism that the establishment in the Food department has been top-heavy and that a number of posts are superfluous. Retrenchment of the two posts now suggested would be an extremely sound step from the financial and administrative view point besides satisfying public opinion. So the posts of the Additional D.F.S and the II Additional D.F.S now held by Messrs Syed Abdul Khader and Syed Abdur Rahiman respectively may be retrenched with immediate effect and those officers posted elsewhere.

(c). Regarding the Gazetted Assistant in his office, the D.F.S has stated that he can spare one gazetted Assistant and also one D.S.P.. Mr M.D Kareem who was working in the office has been recently posted as District Development Officer, Chikamagalur and so that vacancy need not be filled up. Mr. Abdul Latif is the D.S.P. working in the office of the D.F.S. He may be reverted to the Police

department and that Post Vacancy may be abolished.

(a). The proposal of the DFS to designate the seniormost Gazetted Assistant of his office or the Deputy Director under whom the subordinate police staff may work, may be approved.

21) Approval of these proposals would as the DFS put it "result in considerable economy", and also be a proper step in the reduction of Govt expenditure on temporary departments — a step repeatedly urged by the Hon and on the floor of the Legislature.

22) The Chief Secretary may also be consulted, and if considered necessary the H Secy as these proposals are a direct outcome of his minute in para 10 supra.

27) I have already said elsewhere 25/11/47 in connection with the question of the increase of the strength of the cadre of Deputy Commissioners that there were supernumeraries of the cadre in the Food Dept. In the first place, the Food Dept. need not have been manned by so many high paid officers. In the early days of organisation the Dept ~~there~~ I think were only two officers the Director and Addl Director. There certainly was no need for so many when it got established. Anyway, it is true that the question of retrenching the staff was taken up & that without delay. H.C.D 7/12/47

Now that millets are decontrolled please put up letter to Director of Food Supplies and copied to Deputy Commissioners stating that the establishment employed for food acquisition work particularly in the 'Millet' districts like Bangalore, Kolar, Tumkur and Chitaldoorg may be retrenched. Only where there is paddy procurement work to be done special Revenue Inspectors may be employed. If the paddy to be procured is small in any taluk no special staff might be necessary and the regular Revenue Inspectors themselves might attend to the work. Request the Director of Food Supplies and the Deputy Commissioners to examine the entire position immediately and retrench all staff not necessary. A report of action taken may be sent to Government in ten days. The references recently made by the Director of Food Supplies regarding continuation of the establishments in each district might be returned with the above remarks.

5(i) As regards the ration staff in Bangalore city the Government has reported that action has been taken to abolish the two Government Foodgrains depots and two Government Fuel depots, resulting in a saving of Rs 1400/- p.m. (or Rs 16,800/- per annum) and one post of clerk on Rs 75/- in the Rationing office. It has also been stated that 1 clerk on Rs 40/- 1 Assistant Food Inspector on Rs CA. working in the Rationing office in connection with the Control Rules and Licensing will be retrenched as soon as the formalities relating to these Commodities are finalised. TO

A.S.KHALEEL, ESQ., B.A.,B.L.,

Secretary to Government, Food & Civil Supplies Department,

BANGALORE.

SIR,

Subject: RETRENCHMENT IN DIRECTOR'S OFFICE.

With reference to your letter No.SD.3229/A.69-47-3 dated the 4th instant questioning the need for three Additional Directors in this Department, I have the honour to state as follows:-

2. I shall refer first to the Additional Director (Transport), Rajasevaprasakta Mr.R.N.Mirza. His appointment was made under special circumstances and its continuance has been sanctioned by Government up till the end of June 1948. His work is that of a Liaison Officer with other Railways in India, and not merely the arrangement of internal transport. His previous background as General Manager of the Mysore Railways and his wide contacts with Departmental Officers all over India give him a peculiar standing for this kind of work which is certainly not what could be handled by any amount of correspondence, or by an Officer of the status of a Traffic Inspector or even a District Traffic Superintendent as suggested in your letter. We are passing through extremely critical times and the rapid movement of stocks has assumed unprecedented importance. In such circumstances, Mr.Mirza's personal knowledge of the concerned Officers has greatly eased things for us. It is really his goodwill we are paying for and we certainly cannot afford to lose it at this juncture on any financial considerations. I may emphatically state that he is worth more to the Department than what he costs. I may

add that I will myself propose the termination of his services the moment we can safely do so.

3. As regards the other two Additional Directors, I may say that one of them viz., Mr.Syed Abdur Rahman was recently sent to this Department on Government's own initiative and not at my request. I am at a loss to find work for him and I feel that the services of an Officer of that status could be more advantageously utilised elsewhere. He is admittedly a supernumerary in this Department. If he should be transferred, the work distribution proposals made in my letter No.C1-1702/47-8 dated 14.11.47 will be unnecessary.

10/11/47
By we.

4. Regarding the first Additional Director, I believe the appointment was originally created in order to have a second officer of sufficient status to attend to the arduous duties connected with organisation of a new and vital department and also to deputise for the Director at numerous Conferences outside Mysore, and also to assist in procurement work from other parts of India which was at that time of considerable magnitude and with a multiplicity of controls necessitated by wartime conditions. Things however have greatly changed since then. At present procurement from other parts of India has greatly dwindled and whatever assistance we get is from overseas imports. Many of the miscellaneous controls have either gone or are going. I have been carefully studying the work in the office ever since I took charge in August 1946. A very short experience convinced me that the work was not enough to justify the retaining of an Additional Director. I brought this personally to the notice of the Dewan as well as the Minister in charge of the Department more than once. Apart from the possibility of actual assistance there was a risk of division of responsibility and hampering of work. After Mr.Puttarangaswamy, then Additional Director was transferred in January 1947 there was no Additional Director for two months and the work was got through with

ease and facility. Some time after Mr.Abdul Khader was appointed, he was sent on deputation to the United Provinces for about a month and a half, and even then it was found that the work could be got through without the least difficulty. I have accordingly to state that as things stand it is quite superfluous to have an Additional Director in this office. This is of course no reflection on Mr.Syed Abdul Khader who has been carrying on loyally. So, it is a matter for Government to decide whether the post should be continued or not.

5. As regards the allowance of Rs.150/- p.m., all previous Additional Directors were drawing it and the present incumbent has also been drawing it. It would therefore not be fair to deprive him of it if the appointment is to continue.

6. Apart from Additional Directors I have now five Gazetted Assistants in my office, one of whom is a District Superintendent of Police. I may say that it will be quite possible for me to spare one Gazetted Assistant and the District Superintendent of Police for whom there is little work and to carry on the work in my office with only three Assistants the seniormost of whom may be designated Deputy Director, under whom the subordinate Police Staff may work. If these proposals are given effect to it will result in considerable economy.

I have the honour to be,
Sir,
Your most obedient servant,

The question of retrenchment of staff in the Food Department has been the subject of correspondence between the Government and the Director of Food Supplies since September 1947. In their letter No. SD.3229/A.69-47-3, dated, 4-11-1947 to the Director of Food Supplies Government have observed that as the Food Department has had time to organise itself, ~~and~~ ~~that~~ as much staff as was required may be before ~~was~~ not necessary now. The Director of Food Supplies has, accordingly, submitted the following proposals with a view to economising expenditure in the Department:-

Considered

1. Abolition of two posts of Addl. Directors now held by Messrs. Syed Abdul Khader and Syed Abdul Rahman.

2. Continuance of Mr.R.N. Mirza as Addl. Director (Transport) for the present and until the termination of his services. ~~is proposed by the Director~~.

3. Transfer or reversion of two Gazetted Assistants to the Director of Food Supplies -- including one District Supdt. of Police.

4. Designating the Senior Gazetted Assistant under the Director of Food Supplies as Deputy Director.

2. With regard to proposal (1), Re: Mr. Syed Abdul Khader, specified above, the Director has observed that in the altered conditions at present when many of the miscellaneous controls have either gone or are going, there is not sufficient work to justify the retention of an Additional Director and that the post is quite superfluous.

3. As regards the continuance of Mr. Syed Abdul Rahman as Second Additional Director, the Director states that this Officer was posted to the Food Department recently (i.e., in Septr. 1947) and that the posting was done on "Government's own initiative" and not "at his request". He further states that he is at a loss to find work for this Officer who is "undoubtedly a supernumerary" in the Food Department and that his services could be more advantageously utilised elsewhere. He has added that if this Officer is transferred to some other Department the work distribution proposed in his case separately would be unnecessary.

4. As regards proposal (3), Re: Mr. R.V. Mirza, the Director states that the continuance of this officer as Addl. Director (Transport), in the Food Department till 30-6-1948 has been sanctioned in D.O. No.30.1635-36/T.30-46-C, dated, 21-8-1947* and that his work is that of a Liaison Officer with other Railways in India and not merely the arrangement of internal transport.

In September 1947, the Director of Food Supplies reported that the Mining Authorities at K.G.F. had represented that the casuarina position was causing them great anxiety and that the commandeering of private thopes in the Kolar District, with the assistance of Government, was necessary to enable them to keep up their programme of production. As the inspection of thopes, valuation of trees, supervision of felling etc., involved heavy work and responsibility, the Director suggested that the Food Assistant to the Deputy Commissioner, Kolar, might be appointed as Special Officer, Fuel Supplies, for the K.G.F. area with requisite powers to commandeer thopes in the Kolar District, except in Malur and Sidlaghatta Taluks. He also suggested the appointment of the following staff * for the purpose and also the grant of an allowance of Rs. 50/- to the Special Officer:-

*

1 Fuel Inspector on Rs. 90/- + C.A. p.m.
2 Asst. Fuel Inspectors on Rs. 50/- + 10 C.A. each
6 Peons do. on Rs. 12/- each p.m.
(at two peons to each of the above officers)
1 Clerk on Rs. 50/- p.m.
1 Peon to the Office .. Rs. 12/-.
(with the usual dearness allowance to each of the above).

Circulation Note.

The question of retrenchment of staff in the Food Department has been the subject of correspondence between the Government and the Director of Food Supplies since September 1947. In their letter No.C.3223/A.C3-47-3, dated 6-11-47 to the Director of Food Supplies, Government have observed that as the Food Department has had time to organise itself, as much staff as was required before may not be necessary now. As the expenditure on account of salaries and establishment in the Department was on the increase it was considered necessary to cut down unwanted staff, and the Director was asked to submit suitable proposals regarding retrenchment of staff along with a note on the necessity for the continuance or otherwise of the existing food establishments in the State during the remaining part of the current year. The Director of Food Supplies has, accordingly, submitted the following proposals with a view to economising expenditure in the Department:-

1. Abolition of two posts of Additional Directors now held by Messrs. Syed Abdul Khader and Syed Abdul Rahman.
2. Continuance of Mr.M.V.Giree as Additional Director (Transport) for the present and until the termination of his services.
3. Transfer or reversion of two Gazetted Assistants to the Director of Food Supplies - including one District Superintendent of Police.
4. Designating the Senior Gazetted Assistant under the Director of Food Supplies as Deputy Director.

2. With regard to proposal (1), Mr. Syed Abdul Khader specified above, the Director has observed that in the altered conditions at present when many of the miscellaneous controls have either been or are going, there is not sufficient work to justify the retention of an Additional Director and that the post is quite superfluous.

As regards the continuance of Dr.Syed Abdul Rahman as Second Additional Director, the Director states that this Officer was posted to the Food Department recently (i.e., in September 1947) and that he is at a loss to find work for this officer who is a supernumerary and that his services could be more advantageously utilised elsewhere.

3. As regards proposal (2), viz. Dr.R.N.Misra, the Director states that the continuance of this Officer as Additional Director (Transport), in the Food Department till 30-6-1948, has been sanctioned in G. O. No. C.No.1833-S5/A.00-43-8, dated, 21st August 1947 and that his work is that of a Liaison Officer with other Railways in India and not merely the arrangement of internal transport. The Director is of the opinion that this work cannot be handled by any amount of correspondence and that the Food Department cannot afford to lose the services of Dr.Misra at this juncture on any financial considerations. He adds that he could himself propose the termination of the services of Dr. Misra when the Department could easily do so.

4. Regarding proposals (3) and (4), viz., continuance of Deputed Assistants to the Director of Food Supplies and designating the Senior Assistant as Deputy Director, the Director states that out of the five Deputed Assistants in his office at present (including the one who is a District Superintendent of Police), he can spare two officers viz., one Deputed Assistant and the District Superintendent of Police for whom there is little work in the Department. He suggests that out of the 3 remaining Officers the seniormost Deputed Assistant may be designated Deputy Director under whom the subordinate Police staff of the Food Department will work.

5. The above proposals have been agreed to by the Chief Secretary and the Financial Secretary and the latter Officer has suggested that the Director might examine the possibility of retrenching the staff in the Department as a whole. When the

When the file was submitted to the Minister for Finance and Industries who was then In-Charge of the Food Portfolio, he minuted as under on 7-12-1946

"I have already said elsewhere in connection with the question of the increase of the strength of the cadre of Deputy Commissioners that there were supernumeraries of the cadre in the Food Department. In the first place, the Food Department need not have been manned by so many high paid officers. In the early days of organising the Department, I think there were only two Officers, the Director and Additional Director. There certainly was no need for so many when it got established. Anyway, it is time that the question of retrenching the staff was taken up and that without delay."

Thereupon the Dewan has ordered that the question may be discussed at a meeting of the Council.

Bangalore, dated ....3rd..February.... *194* 8.

SECRETARY
TO
FOOD & CIVIL SUPPLIES

The Secretary to Government,
Food & Civil Supplies Department,
Bangalore.

Sir,

Subject: Note on existing Food Establishments and the necessity or otherwise of continuing the same -- Rationing Establishment, Bangalore City.

With reference to your letter No.SD.1852 dated 2nd September 1947, calling for a note on existing Food Establishments in the State and the necessity or otherwise of continuing the same, I have the honor to state that the position as regards the establishments in the Districts and the Cities of Bangalore and Mysore is being examined separately.

As regards the Rationing Establishment in Bangalore City, a detailed statement showing the existing staff together with a copy of letter No.E1.197/47-48 dated 10th December 1947 from the Rationing Officer in the matter is enclosed herewith. The Rationing Officer suggests that four Government Foodgrains Depots and two Government Fuel Depots may be abolished, retaining only one Foodgrains Depot and one Fuel Depot for each of the ten Divisions in the City to serve as Emergency Distributing centres and increasing the number of private distributing centres proportionately. As this proposal is in confirmity with the general policy of restoring the normal channels of trade and results in a saving of Rs.1,400/- per mensem or Rs.16,800/- per annum, I have asked the Rationing Officer to takem necessary action to give effect to the proposal as early as possible. I solicit kind approval of Government to the action taken in this behalf.

I may add that out of the marginally noted staff for pulses and jaggery control work in the Rationing Office sanctioned till the end of June 1948, the post of one clerk on Rs.75/- has been retrenched already, and the other two posts will also be retrenched as soon as the transactions relating to these commodities are finalised.

One clerk on	Rs. 75/-	
One clerk on	40/-	
One Asst.Food Inspector.	50/- plus 10/- C.A.	

No other retrenchment in the existing Rationing Establishment in Bangalore City is possible at this stage.

I have the honor to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

AMD.3.

Letter No.El.197/47-48 dated 10th December 1947 from the Rationing Officer, Bangalore, to the Director of Food Supplies in Mysore, Bangalore.

Subject: Note on the existing Food Establishment in the State and the necessity or otherwise of continuing each particular establishment during the current year.

With reference to your D.O.Letter No.Cl.1570/47-48 dated 10-10-1947, and subsequent reminders thereon regarding the above, I have the honor to state that the establishment attached to me may be considered under the following sections:

1. Rationing Establishment (including my office, Divisional Food Offices, and Food Depots),
2. Asst Rationing Officers' Establishment,
3. Fuel Establishment, and
4. Staff for jaggery and pulses section.

The details pertaining to the strength of the above including the number of Government Depots are separately furnished in the form enclosed and annual expenditure to be incurred on each of the establishments is also noted.

It is felt after discussing with the Assistant Rationing Officers and considering the present needs of the City that one Government Depot for each division is enough which could serve as an Emergency Distributing Centre. The extra Government Depots now working in some divisions may conveniently be retrenched by handing over the same either to private merchants or to the concerned Departments for the benefit of which they are established.

One Government Grains Depot and one Fuel Depot appear to be quite sufficient for each Division, i.e., 10 grains and 10 fuel depots. Regarding the H.A.F.Depot, a separate reference is under submission. This will mean that the system of distribution through the normal trade channels could be fully revised, subject to the usual control and supervision of the Rationing Authorities.

There are, as pointed out in the enclosed statement at

at present 15 Government Grains Depots working. The question of finding suitable and reliable staff for those depots and the question of taking proper care and precautions for the safety of Government property in these depots always present much difficulty.

The expenditure that is now being incurred by Govt., towards the staff of these depots comes to Rs.6,490/- per month as shown below:

14 Grains Depots: (Excluding H.A.F.Grains Depot)

Staff for each:

Manager	Rs.40/-	plus Rs.	18/-	=	Rs. 58/-
One Bill Clerk	25/-	"	15/-	=	40/-
Two Measurers	15/-	"	15/-	=	60/-
Two peons	18/-	"	15/-	=	66/-
				Total Rs.	224/-

Rs. 224 x 14 = Rs. 3,136/-.

12 Fuel Depots:

Staff for each:

Manager	Rs.40/-	plus Rs.	18/-	=	58/-
Bill Clerk	25/-	"	15/-	=	40/-
Attender	25/-	"	15/-	=	40/-
Two peons	18/-	"	15/-	=	66/-
Watchman	18/-	"	15/-	=	33/-
			Total		Rs.237/-

Rs. 237x12 = Rs. 2,844/-.

Rent for the Grains Depots.	=	Rs.275/-
Rent for the Feul Depots.	=	235/-
Total		Rs.510/-

The abolition of 4 grains and 2 fuel Depots will result in a savings of Rs.1,395/- inclusive of savings under rents of two fuel depots.

The following grains and fuel depots are proposed for abolition:-

1. Ladies Club Depot, 1 Division,
2. Government Press Depot, I Division,
3. G.P.S.Depot, IV Division,
4. Central College Depot, II Division,

the buildings for running the above 4 Government Depots are provided free of cost.

Govt.Fuel Depot, Siddanna Lane, IV Division Rent.Rs.25/-
Wilson Gardens Govt.Fuel Depot, VI Division Rent. 5/-

With the retrenchment of the above Government Depots, it is desirable to issue license to private merchants as suggested above to start equal number of depots and with this increase in the number of private distributing centres, it will be necessary to retain the existing Assistant Food Inspectors and other clerical staff excepting depots staff in order to exercise more efficient supervision and control over the distributing centres.

The stock position of pulses remains the same as before and the supply of pulses is not adequate to meet the minimum requirements. This establishment has to be continued till the supply position eases.

As regards jaggery, one Assistant Food Inspector posted a for this purpose has been abolished vide G.O.No.SD.1078-81/A. 131-46-4 dated 30-7-1947.

The retrenchment proposed above is not likely to affect the distribution system now followed.

The favour of early orders is solicited in the matter.

SIR,

Subj:--Retrenchment of staff in the Food Department.

With reference to your letter No.SD.7503/A.165-47-15, dated 3-4-1948 calling inter alia, for a report regarding the abolition of some of the Gazetted posts in the Food Department, I have the honour to state as follows:---

(1) Mr.Abdul Latheef, District Superintendent of Police, doing duty as Assistant to the Director of Food Supplies is due to retire from service from 15-7-1948 and he has been granted leave preparatory to retirement. The post held by him in this Department may be retrenched with effect from the date of his retirement. One more post of Assistant to the Director of Food Supplies may also be retrenched and the services of Mr.N.S.Ramachandra, M.A., Assistant Commissioner may be withdrawn from this Department. Only two Gazetted Assistants, viz.,Messrs. P.V.Krishnaswami, M.A.,LL.B., and V.Venkatachar,M.A.B.Com., may be allowed to continue. This is the maximum retrenchment that can be effected in the Central Office at the present stage as there are still several measures incidental to decontrol etc. requiring attention in this Office.

(2) As regards the posts of Food Assistants to the Deputy Commissioner's the question was considered at the meeting of the Deputy Commissioners' held in this Office on 26-4-48 and the concensus of opinion of the meeting was that though millets have been decontrol'ed

have been decontrolled and the acquisition of [illegible], there are still several important items of work connected with the food operations which require the constant attention of a wholetime Officer in the interests of efficient [illegible] tion. Prompt and expeditious action is required [illegible] in connection with the disposal of audit reports and [illegible] gress of this important work is likely to be retarded if the Officers are withdrawn at this stage. The posts of [illegible] in all the Districts may, therefore, be continued [illegible] of June 1948.

(3) The distribution arrangements in Bangalore City are [illegible] continuing and there are also several transactions [illegible] to be finalised before the Ration Section could be wound up. There is also the work relating to the disposal of audit [illegible] which requires concentrated attention with a view to avoid possibility of loss to Government. Further, as large stocks of food grains are still coming into Bangalore City, the work in the Depot Section continues to be heavy and it would not be possible for one Officer to devote adequate attention to the work of both the Rationing and the Depot Sections. It is, therefore, my opinion that the posts of both the Rationing Officer, Bangalore City and the Assistant Director of Food Supplies, Depots, may be continued till the end of June 1948 and the position reviewed thereafter.

(4) Proposals for the withdrawal of statutory rationing in all areas except in Bangalore City, Mysore City, Civil Station, K.G.F. and Davangere with effect from 1st June 1948 are being sent up separately. The posts of Assistant Rationing Officers in those areas will be abolished immediately after rationing is removed. The posts of Assistant Rationing Officers in Mysore City have been retrenched already and similar action is being taken separately in respect of Bangalore City also.

I have the honour to be,
Sir,
Your most obedient servant,

[illegible]
Director of [illegible]

Sir,

Subject:- Retrenchment of staff - Gazetted rank.

Adverting to G.O.No.SD. 9388-95/A.165-47-2 dated 13-5-48 and your letter No.SD.9515/A.165-47-3 dated 15-5-48 regarding the abolition of the posts of the Food Assistants to the Deputy Commissioners of Bangalore, Tumkur, Kolar, Chitaldrug and Hassan Districts from 1-7-1948 and the arrangements proposed to be made for looking after the work regarding food matters in those districts from 1-7-48, I have the honour to forward herewith an extract from the proceedings of the meeting of the Deputy Commissioners held in my office on 14-6-48 resolving, inter alia, that it is imperative to continue the posts of Food Assistants in all the districts till the end of the calendar year.

As, in view of the proposal to continue the existing arrangements for distribution of foodgrains practically on the same scale as at present, there would be no appreciable reduction in Food Supplies work in the districts, I request that sanction of Government may kindly be obtained to the continuance of the posts of the Food Assistants to the Deputy Commissioners of all the districts till the end of December 1948.

3. In view of the fact that the distribution is being practically continued on the present lines, further retrenchment of establishment will not be possible. On the other hand it would be necessary to entertain additional establishment to the extent needed in connection with increase in the number of Depots. It is also imperative that the posts of Food Assistants together with their establishment should be continued in all the districts till the end of the calendar year. Specific proposals in this behalf will be submitted."
